

# Hello Spring

Q2 Newsletter

Dear valued members,

Spring has sprung and we couldn't be more excited to bring you our latest Credit Union of Richmond newsletter! As we head into a new season, we want to take a moment to thank you for your continued support and trust in our institution.

Credit Union of Richmond is celebrating 100 years! It's hard to believe that a century has passed since our founders established this institution with the mission of providing financial services to the people of Richmond and the surrounding communities.

Over the years, we have grown and evolved, but our commitment to serving our members has remained steadfast. We take great pride in offering competitive rates, personalized service, and innovative solutions to help our members achieve their financial goals.

## April is Credit Union Youth Month

At the Credit Union of Richmond, we believe in providing financial education and resources to help our youth members become financially responsible adults. We offer a range of products and services designed specifically for young savers, including:

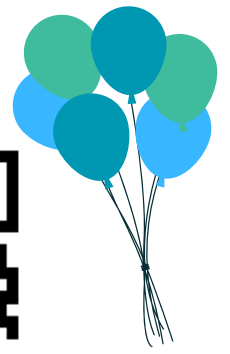

- **Grades Program** (Earn \$1 for every "B" and \$2 for every "A" on your end-of-nine weeks report card!)
- We are currently offering a **Youth Share Certificate Special** (Minimum of \$500, maximum of \$3,000, must be under the age of 18, one youth certificate per member.)
- Sign your child up for the **Kids Club** for just \$5

We also offer **Teen Accounts** for ages 13-17, all you need is a \$5 deposit.

By opening a Teen Account with us, teenagers can learn valuable financial skills such as budgeting, saving, and responsible spending.

# Oh, the places you'll go!

The Credit Union of Richmond is now accepting applications for the Ben Wilson Scholarship. The applicant must be a graduating high school senior, a member of Credit Union of Richmond that is interested in pursuing higher education.
